Everybody who tastes it likes it; the Whiskey brokers in Perth keep it

WHAT THINK YE?

Eloquent Sermon by Rev.
Alex. Mackintosh.

An Address Laden with Spiritual
Incentives—Statistics of the
Congregation.

There was a large congregation at
St. Andrew's Cathedral Sunday
morning. Rev. Alexander Mackintosh
preached from the text, "What think
ye of Christ?" Mat. xxii: 42. The repu-
tation of the great Wonder Worker
had spread throughout Judea and there
were questions from the Pharisees con-
cerning Him. Temptations were nu-
merous to the Son of God to yield his
position. After many questionings He
at last turns on them: "What think ye
of Christ?" The answer came, "The
Son of David." Yes, it was only the
in the scriptures that these Pharisees
sought the One who was to be the
Prince of Israel. The pomp and power
with nothing humble about him was
the expected. Beloved, does the ques-
tion, "what think ye of Christ?" arouse
you? or are we only superficial believ-
ers and cannot answer with a full
understanding. Can we say we believe
with our whole heart, not only that
Jesus is the Son of Mary, but also, "I
confess that Christ is of the substance
of his mother born into this world to
save me and all sinners." The only
thought the Pharisees of our Savior's
day had, was to be freed from worldly
responsibilities. God sent his only son
as the Day Spring from on high—only
in the glory of divine grace—that we
may be able to realize the depth of
grief and the darkness of the night of
sin that precedes the shadow of death.
The beauty of Greece, the glories of
Rome, the intelligence of the ancients,
all these could not cover the moral
bankruptcy and degeneracy of those
times—their arts and sciences could
not bridge the chasm which existed
between them and the living, the true
God! Brought to ruin and sorrow the
Gentile nations who knew not Christ
have passed away. Yet that answer
of St. Peter's is still with us. "What
think ye of Christ?" "Thou art the
Christ the son of the living God." That
answer brought that blessed apostle
security even when he forsook our
Savior in his greatest need. It is this
conviction and confession that God de-
mands of us and this it is that shall
land us all on those shores where dwell
they who are departed in the fear of
the Lord.

The statistics of the parish of St.
Andrew's Second Congregation for the
past year have just been compiled as
follows:
Marriages, 22; baptisms, 29; funerals,
19; confirmed Xmas 1897, 25; con-
firmed Easter 1898, 7; number of com-
municants during 1898, 297; persons
under training for next confirmation,
16; adults preparing for baptism, 10.

Eames. The address will be on the

terprise," and will be by Rev. Wm. A.

tian church.

China's Delay.

The China met rough weather on the
way down this trip and was about four-
teen hours slower than usual. The
boat was under "easy bell" for the bet-
ter part of two days. One threat was
in connection with a United States
steam launch that was on deck. It is
for Manila, to be delivered at Hong-
kong. There were fears several times
that the launch would go overboard.

HAYNE'S CONSCIENCE.

Says it Impels Him to Make
Restitution.

NEW YORK, Dec. 29.—James D.
Hallen, alias Julien D. Hayne, the law-
yer who was convicted last week of
uttering a forced bond and mortgage in
1893, through which Mrs. Florence
Cauldwell of New Jersey was defrauded
of \$16,500, was brought before
Judge McMahon in Part I. of the Gen-
eral Sessions yesterday for sentence,
but at his request the date of sentence
was postponed for one week, in order
that between now and then Hallen
might make restitution to Mrs. Cauld-
well.

"You are not to understand," said
Judge McMahon in granting Hallen's
request, "that restitution made at this
date will have any effect upon your
sentence."

"Certainly not, your Honor," replied
Hallen, "but this is a matter of con-
science with me, and I wish time to
carry out my designs."

With the Minstrels.

There was a packed house for the
merry minstrel show at the Orpheum
Saturday night. A number of the
"swell" people of the city were in at-
tendance. The show was about all that
had been promised. Considering that
there was only a week for preparation,
it was an extremely creditable enter-
tainment. Post, Armand and Vierra
were the premier funmakers. Miss
Ashley was a distinct success as inter-
locutor. Bennie Jones' bass solo was
well liked and the Quintette Club came
in for minutes of applause. Vierra
and Jackson gave the Chinese sketch
with new features. The afterpiece was
a lively affair.

Gone to Confucius.

(Hilo Herald.)

A Chinaman stopping at a coffee shop
in Olua, twelve miles from Hilo, com-
mitted suicide near there Sunday morn-
ing, 8th inst. The man had been in ill
health and was a stranger in the vicini-
ty. He seized a guava tree a short
distance from the road, made a loose
knot in a rope and threw one end over
a branch a few feet from the ground.
When discovered the man had drawn
his feet from the ground and had
strangled himself to death.

HAVING A GREAT RUN ON CHAM-
BERLAIN'S COUGH REMEDY.

Manager Martin, of the Pierson drug
store, informs us that he is having a
great run on Chamberlain's Cough
Remedy. He sells five bottles of that
medicine to one of any other kind, and
it gives great satisfaction. In these
days of la grippe there is nothing like
Chamberlain's Cough Remedy to stop
the cough, heal up the sore throat and
lungs and give relief within a very
short time. The sales are growing, and
all who try it are pleased with its
prompt action.—South Chicago Daily
